
Dear friend,
I hope you can use these printable crafty goods. I designed them for a mini-banner for my daughter's birthday cake, but the sky is the limit. Use them for scrapbooking, cards, your own special mini-banner or what-so-ever your creative heart desires as long as its for your own personal use and you do not sell or distribute my designs. ENJOY!

cut&create mini-banner

*paper crafts
*party decor
*card making

*Add letters to the blank circles to spell a name or word.

*Trim pieces with scissors and string on colorful twine to create banner.
